

An aerial photograph of Victoria Falls, showing the wide river cascading over the edge of a cliff. The surrounding landscape is lush green with dense vegetation. A road runs along the edge of the cliff on the left side of the image. The water is a muddy brown color, and there is a lot of white mist rising from the falls.

The Guide to ZIMBABWE

www.hillsof africa.com

ZIMBABWE

Zimbabwe is one of the most remarkable countries in Africa, with its abundance of amazing wildlife, beautiful scenery, thrilling adventures, welcoming locals, incredible culture, and some of the best safari guides in the world.

It is rightfully known as one of Africa's most rewarding game viewing destinations and home to one of the largest concentrations of elephants in the world.

Zimbabwe is also home to one of the seven wonders of the world, ***Victoria Falls***.

Victoria Falls is the most iconic and largest waterfall in Africa. It is undoubtedly known as the adrenaline capital for boasting some of the craziest, most extreme, adrenaline pumping activities in a single location.

GEOGRAPHY

QUICK FACTS

Zimbabwe

Top destinations:

Victoria Falls
Hwange National Park
Mana Pools National Park
Matobo National Park
Gonarezhou National Park
Matusadona National Park

When to go:

Zimbabwe is generally at its best in May to October when temperatures are mild and the weather is dry. April and May provide the most dramatic views of Victoria Falls, but August to December are best for white-water rafting at the falls.

QUICK FACTS

Zimbabwe

Known for:

Victoria Falls, Lake Kariba, adrenaline activities at the falls, large herds of elephants, the flame lily

Best combined with:

South Africa for a perfect introduction to Africa; Zambia to see both sides of the falls; Botswana for diversity; Namibia for landscapes.

Zimbabwe offers visitors:

- Spectacular views of Victoria Falls
- Excellent game viewing opportunities
- Some of the best guides on the continent
- Easy access from major hubs
- Elephants!
